NOTICE		
This permit become null and void if work or construction authorized is not commenced within 180 days, or if construction of work is suspended or abandoned for a period of 180 days at any time after work is commenced.		
I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be compiled with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.		
It is the duty of the person doing the work authorized by a permit to notify the Building Department that work is ready for inspection. Please call 48 hours in advance of the requested inspection.		
I understand that it is my responsibility to contact DEQ to ascertain their requirements related to the water, sewer and storm water systems included in this permit.
